

Afghan Refugee Postcard Campaign – GET THEM OUT

Open Arms for Refugees (<https://openarmsforrefugees.org/>)

By Executive Order, President Trump suspended entry to the US for all **refugees**, including 15 Afghan refugees expected soon in Westchester. Blocking Afghan people who helped US forces during the Afghanistan war leaves them in grave danger, in breach of our promise to them. The Order allowed for case-by-case review, but all refugee cases remain frozen. Your help is needed to let the White House know that we have a moral obligation to our allies of the 20 year Afghan war, and that our country must not desert them. Please thank our Congressmen for speaking up for this cause, and press the Secretaries of State and Homeland Security and the President to save our Afghan allies and our national honor.
